Great Sea Map

The Great Sea Map was not in the original Wii U game but rather created for Hyrule Warriors Legends. To unlock it, you must complete [Adventure Map F-1](#) on the **3DS** or complete [The Armies of Ruin](#) on **NINTENDO SWITCH**. There are a few things of note about this particular map compared to the others:

- Some stages have Great Sea Rules to make them more difficult. You can remove these extra rules by using the correct Item Card. This is of course covered in the guide and the guidelines for each rule are listed below.
- In addition to the usual "squiggly lines" you see between stages that mean you can't access them from one another, this map introduces blue ones as well. These are temporary barriers that can actually be removed by using a Wind Waker Item Card.

Rule	Description
Don't Get Hit!	Your warriors will fall in battle from a single hit! Avoid attacks and watch for enemy movements!
Double Damage!	Warriors will receive twice as much damage as normal!
No Attack Items!	Warriors won't be able to use bombs, the bow and arrows, the Hookshot, the boomerang, or the hammer.

In terms of Item Cards, this map has many new ones that won't be found elsewhere. Below, we'll once again list each Item Card, what it does, and which locations you can acquire them.

Icon	Name	Description	Location
	Compass	Reveals where to use other Item Cards	C-3 , C-5 , F-3 , I-1 , I-7 , L-3 , M-7 , N-5
	Hookshot	Aim at targets to reach new maps	G-1 , H-3
	Wind Waker	Removes headwinds to reach new maps	A-7 , C-2 , E-2 , J-7 , M-2 , M-6
	Cannon	Defeats warships to remove Master Sea Rules	A-5 , D-5 , E-3 , K-4
	Boomerang	Defeats Big Octos to remove Master Sea Rules	A-1 , A-3 , D-7 , F-1
	Hero's Bow	Defeat tornadoes to remove Master Sea Rules	B-3 , B-7 , D-4 , J-3 , J-6
	Salvage Arm	Use to remove rings of light	B-6 , C-4 , F-5 , G-2 , H-2 , I-5 , I-6 , J-5 , K-1 , L-5 , M-1 , M-3 , N-3 , N-6
	Hyo Pear	Use to remove seagulls	A-4 , E-4 , F-7 , G-4 , H-1 , H-7 , J-1 , J-2 , L-1 , L-2 , L-4 , M-5 , N-1 , N-2
	Deku Leaf	Use to remove windmills	B-4 , C-6 , D-2 , E-5 , F-6 , G-7 , H-6 , J-4 , L-6 , L-7 , M-4 , N-4 , N-7
	Sea Chart	Use to remove sea spray	C-7 , K-6
	Power Bracelet	Use to remove stone heads	D-1 , E-1 , E-7 , F-2
	Hammer	Use to remove giant switches	A-2 , B-1

When looking at the map, the black squares are unlocked initially. (**3DS** only) You will not be able to begin playing until you complete [Wind Waker - A New Disturbance](#) as the initial location requires access to the Hammer in order to play it (for **NINTENDO SWITCH** you get a warning that the Hammer makes stages easier but you can still play them). The other sections unlock in order of increasing difficulty. The green squares unlock when you use a Wind Waker Item Card on [Great Sea Map M-3](#) and then clear the stage. The yellow squares unlock when you complete [Great Sea Map G-7](#) or [Great Sea Map H-6](#). The purple squares unlock when you complete [Great Sea Map B-5](#), [Great Sea Map C-5](#), [Great Sea Map D-5](#), or [Great Sea Map E-6](#). The orange squares unlock when you complete [Great Sea Map D-4](#), [Great Sea Map E-4](#), or [Great Sea Map F-4](#). The blue squares unlock when you use a Wind Waker Item Card on [Great Sea Map F-3](#) and then clear the stage. The red squares unlock when you use a Wind Waker Item Card on [Great Sea Map H-4](#) and then clear the stage.

Starting square: [I-2](#)

Final Boss square: [I-3](#)

Click on a square below to jump to the unlockables for that square:
