★ Highest Rated Guide

Next: Version/Thanks/Copyright >>

The Rewards Map is significantly different from the other Adventure Mode maps. The stages contained in this map are unlocked by completing the illustrations formed by collecting Gold Skulltulas. Each illustration is made up of 20 different pieces and thus require collecting 20 Gold Skulltulas to complete the illustration. You can find a complete list of where to find all of the Gold Skulltulas to make up each illustration in the [Gold Skulltula Locations](#) section of the guide. As the stages are unlocked via Gold Skulltula, there are no Item Cards, no exploration, etc. Simply collect the Gold Skulltulas then play the stage.
